

# Hillcrest Church Headed to South Africa

**Author :** Ryan

**Date :** June 30, 2015

In Rustenburg, South Africa we continue to work toward completion of the new multi-purpose library, computer lab and classroom facility. This school is training leaders who are impacting communities all over South Africa and beyond.

I am excited about the great work that Hillcrest Church is doing to help move this project forward. On June 7th I got to be with Hillcrest in service and meet with the team. They head out July 18th with a crew of 22 to work on the project and serve at a local children's ministry in Rustenburg as well.

Thank you Pastor Mike and Hillcrest Church!
