What an honor it was to meet Pastor Charles Cassian and visit his family and church in the village of ZuZu, near Dodoma, Tanzania this past week.

Pastor Cassian has a 4 year diploma from Assemblies of God College Dodoma. This education earns him \$5/mo as a pastor in this rural village. He is a true hero of the gospel.

Tanzania Assemblies of God (TAG) is in the middle of an aggressive church planting strategy to plant 10,000 new churches in 10 years. They are two years into this "Tanzania for Jesus" initiative and have already planted just over 2000 churches!

Builders International is honored to partner with the TAG and [PriorityOne](#) to build a new dorm at the

Dodoma Bible College that will double this resident school from a capacity of 200 students to 400.

Bible schools train leaders that do good work in hard places. What an honor to be a small part in touching lives like those in the village of ZuZu, Tanzania.
