

# Help the "Left Outs" in Nepal

**Author :** Ryan

**Date :** November 30, 2015

When you are a "[Dalit](#)", it's all bad news...unless you have help from the outside!

This is the case in a Gurkatar village in the Himalayas of Nepal, where there is a message of hope, coming by way of Pastor Arjun. We have the opportunity to help build 16 homes for "Dalit" class Muslim people, as an extension of God's love for them through our friend Pastor Arjun.

**Immediate Need:** \$2,000 - Within the next week.

[Help Rebuild](#)

Next week the first two "model" homes will begin. We are partnering with other groups in the project. Your \$2,000 will help complete a \$12,000 project.

A village home in Gurkatar, turned to rubble by the quake.

**Long Term Need:** \$67,600, to rebuild 16 homes. - \$4,200 per home.

You can give toward this work as well as lead a team to work on one of these projects!
