The Builders Team is Growing!

I am excited to welcome the Godwins to Builders International!

Jeremy & Faith have been serving in ministry together for 15 years! Beginning with Lomax Assembly in Clanton, Alabama in 2003 where they served for a number of years as youth pastors before heading to Bethany Assembly in Adrian, Michigan in 2008.

After serving as executive pastors for the next five years, they felt the Lord stirring them to take a step of faith with a great, but struggling church in Columbia, Tennessee.

After four years of growth and miracles, the Godwins knew that God was challenging their hearts to take another leap of faith into world missions.

I am thankful that this path led them to Builders International!

Jeremy will be serving in the areas of Teams and Operations.

Please welcome Jeremy & Faith to the team!
