Laci and I are grateful for our financial support team. Without this financial support, we would not be able to carry on in our call to serve as missionaries with Builders International.

Builders International is making an impact in the lives of individuals around the world. You can help us [#BuildMoore](#) as we take the next step to increase our budget for expanded ministry capacity in our role of leading the organization. The goal of our [#BuildMoore](#) campaign is to raise \$500/mo in pledges over the next 15 days.

Would you join us in our cause with financial support? <http://tinyurl.com/BuildMoore>

Why the Increase?

- While Ryan's role with Builders International has expanded, so has the budget necessary for the job.
- We currently need to increase our monthly commitments by \$2,000. The goal of this campaign is to raise ¼ of our monthly budget increase in 15 days.
- A typical itineration takes 18 months and costs \$37,500...save an equivalent of \$9,300 in travel expenses by helping us raise \$500/mo in 15 days!
