

Canary Islands - Team Opportunity

Author : Ryan

Date : March 30, 2014

We are honored to partner with Mark and Kelly Baumgartner on the Canary Island of Tenerife. The Baumgartners are preparing for Target 26, a church planting initiative to 26 counties on the island that have no evangelical witness.

Builders International and the South Texas District of the Assemblies of God are coming alongside the Baumgartners to revitalize and add on to the Bible Institute where church leaders will be trained.
