Join Laci in Nicaragua!

Author : Ryan

Date : November 25, 2022

You won’t want to miss the first SheBUILDS mission trip to Nicaragua! We’ll be working with our missionary partners in Nicaragua, Nathan and Christine Alfaro, to do much needed maintenance and improvement, as well as ministry at the Acahualinca Children’s Center, which is a ministry of Casa de mi Gloria Church, ministering to the poorest, most needy families in the City Dump area of Managua.

SheBUILDS is a community of ladies of means and influence, standing together with trusted leaders around the world who are passionately meeting the needs of women and children.

Join team leaders Laci Moore and Cristy Gies on this monumental, trip of a lifetime to Nicaragua, the poorest country in the Northern hemisphere. Work alongside other ladies who share a passion for serving the oppressed and help empower afflicted women and children who find themselves crushed by the world.
