

## Travel - Opportunities - Leaders

**Author :** Ryan

**Date :** March 30, 2013

Mexico, Tanzania, Cuba, Bangladesh and South Africa...places Ryan will be in 2013!

Every 45 minutes a new church is planted within our world-wide fellowship of the Assemblies of God. Our heart is to partner with projects that will have a lasting impact on this world, an eternal impact, as we Build for Life. We are excited for a growing friendship between Builders International and PriorityOne (<http://www.priorityonemissions.com>).

Our passion is directed towards brick and mortar solutions to serve our growing fellowship while focusing on the development of leaders around the world. Builders International's part in this mission is to plan, promote and implement these vital construction projects.

Each of the countries Ryan will be in this year are in a growth pattern and have a need for more well trained leaders. Dream big with us as we work and plan for future projects! We seek God's direction and know "Many are the plans in a man's heart, but it's the Lord's purpose that prevails." (Prov 19:21)
