

CORE3ten 2014

Author : Ryan

Date : May 29, 2014

You are invited to join us at the 3rd annual CORE3ten, Construction Ministries Conference. Every year the Assemblies of God World Missions sends out over 300 construction missions teams. This event is for and about anyone involved in missions and construction.

Where does the name CORE3ten come from? I Corinthians 3:10 "By the grace God has given me, I laid a

foundation as a wise builder, and someone else is building on it. But each one should build with care."

It is an honor to work with men and women who give of themselves in so many ways. This year's event will be centered around a Legacy Luncheon where we will celebrate our heritage as a catalyst to the future.

A special guest of honor will be Norm Correll, who lead the first MAPS Construction team to Feeport, Grand Bahama in 1966! The church building still stands today in use and is a testament to the value of an investment in an Assemblies of God missions project.

I hope you can join us! [Click here to register.](#)
