

#BuildMoore Campaign Success!

Author : Ryan

Date : December 29, 2014

We are pleased to announce that the [#BuildMoore](#) campaign was a huge success. A great big Thank You to those who just joined our financial support team! We reached 100% of our goal to raise our monthly support by \$500.

Laci and I are so grateful for those who make our work possible through their financial support. As missionaries serving through [Assemblies of God World Missions](#), we are responsible to raise support for our entire work and living budget.

We look forward to serving you through our work in the years to come.

[May God bless you](#) and give you a Happy New Year!

Building for Life,

Ryan and Laci Moore
