

# #GivingTuesday

**Date :** November 25, 2022

I trust you will not eat too much turkey and pecan pie this week. :)

Be on the lookout for...#GivingTuesday is coming next Tuesday, November 29th!

This year, you can double your generosity when you donate to Builders for #GivingTuesday...thanks to a fund matching opportunity of up to \$7,000!

We need your help on this global day of giving by spreading the word on social media! Donations to Builders International will provide security and shelter for deaf school children in Honduras as we build a security wall and sun shelter for the Honduras School for the Deaf.
